<p>My deepest sympathy to the entire family. She is a part of some of my fondest childhood memories. From going shopping with the gang to Value City or going out to dinner to Chi-Chi's, swimming or many, many sleepovers at the house. She was such a sweet lady, may she rest in peace and may you find comfort in all the great memories and her legacy. When I think of her, it makes me smile. Thoughts and prayers to you all.</p>
