I am so sorry for your loss. Scotty was a great friend from my college days but kept in touch throughout the years. You have my deepest condolences. I would have come to the service but found out about Scotty to late to attend. My prayers are with you.

I am so very sorry for your loss. I would have been at funeral but just found out about it. I met him through his friend Scotty in bellevue. A wonderful person and he will be missed but is now with God who he had a very close relationship with. Again I am so sorry
